

bleach print on canvas

WITH MAGNOLIA DISPLAY TEAM

PROJECT TIME: 30 minutes plus drying time

- ☐ **natural colored fabric**
 - we used cotton muslin—about one yard or more
- ☐ **dye of your choice**
 - we used Rit liquid dye in eggplant, cocoa brown, and dark brown
- ☐ **bleach**
- ☐ **a pair of latex gloves**
- ☐ **a stir stick**
- ☐ **a leaf to use for print**
 - we used a pecan leaf stem
- ☐ **a wooden dowel or rolling pin**
- ☐ **a small sponge paint roller with a handle**
- ☐ **painter's plastic**
- ☐ **two buckets, one filled with 1 liter of water**
 - our buckets were 2.5 quarts
- ☐ **four standard stretcher bars**
 - we used two 12" and two 18" bars
- ☐ **a staple gun**
- ☐ **a hammer**
- ☐ **a pair of scissors**

dye recipe we used:

- one liter of water
- three capfuls of cocoa brown
- one capful of eggplant
- one capful of dark brown
